ORGANIZATION **BRINGS RESULTS**

This Is Slogan of Virginia State Automobile Association and Affiliated Clubs.

Affiliated Clubs.

A copy of the constitution and by-laws of the Virginia State Automobile Association, fresh from the press and up to the minute, has just been received. The reports contained therein show that the organization is in better shape than ever before, and therefore in better position than ever to promote the interests of its members and the causes for which it stands, namely, good roads and improvement of automobile conditions.

Just what can be accomplished by organization is best told in the first pages of the booklet containing much valuable information. In telling of the aims and hopes of the body the pamphlet says:

"By the co-operation of all the automobile owners throughout the State of Virginia in associating themselves with the Virginia State Automobile Association."

Pertinent Comment

BY GUS MALBERT

here. Ginn, a fast outherder, has been sold to Roanoke, Virginia League, but with sincere regrets. He is one of the best batters in the league, but in trimming down to the limit the local management was obliged to choose between him and the team's only substitute catcher. Shelby. Tabor, Bristol's first baseman, who is acknowledged to be the best in that position in the league, has returned to the team after an illness of three weeks it was his return that caused the management that caused the management that caused the management has necessity of getting rid or one man.

"A State Automobile Association, in order to secure favorable results, must and it happened in Danville. Goodness, mobile owner.

"The members of each club become members of the American Automobile Association. (A club can join the Natical Association.)

"By having membership in the State association.)

"By having membership in the State A. A. the club members can obtain all information as a subject of the Association and the A. A. A. the club members can obtain all information as and tours not only in Virginia, but throughout the United States and Canada, as well as Europe. This

only one consolation is left to stayat-homes. We are still tied for second
place. Indeed the tie is getting untrely too unanimous for anything like
comfort. Petersburg beat Roanoke yesterday and Lynchburg didn't play, so
four of we'uns are now lodged in
the same groove, counting just 507.
But Norfolk is away to the good, and
regardless of expert opinions that the
Tars do not appear to have class,
they manage to keep just far enough
in front to be comfortable. After all
is said and done, it looks like a race
for second place in this league.
Schwertzer, Laughlin's new man, didn't
do such a much. The trouble was
that the locals had nobody to stop
the Tobacconists.

Just for the fun of the thing, take a look at the other line-ups in the league and notice the changes which have happened since the beginning of the season. And also notice that despite the reduced salary limit how many of the former Virginia League stars are back in our midst. Guy Titman is now wearing a Roanoke uniform, Edwards is with the Colts, and Jack Anthony has joined the Goobers. But this is not all. There have been all manner of changes. Not a single line-up with the exception of the Colts bas remained the same.

Jack Anthony, to whom we allude as home talent, didn't do a thing in his first appearance across the river. Went to the bat five times and registered four hits, one for an extra bag. The game went twelve innings and Simmons was the star, doing the Ty Cobb and stealing home. Incidentally, he got three hits, two of which went for extra bases.

If we win to-day and Roanoke and

information can be obtained from the Lynchburg lose. Of course, it's "if, beadquarters of the State Association but then it might happen .

The new pitcher is still on the string. Owner Bradley said yesterday that something would be doing by last night, but so far as could be learned nothing was done.

Rumor has it that Ty Cobb may be visitor here next Sunday

No changes in the big league stand-ings. Which is a news item in itself.
